DESPERATE FIGHT.—A desperate fight occurred about two o'clock yesterday evening at the northwest corner of Pitt and Cameron streets between two Irishmen, one living on the Seminary Hill and the other in the Poor's House lane, who had quarreled about the war now waging in Europe. The Poor's House man was knocked down and severely beaten in the face, and an attempt was made to gouge out his eyes, but retaining his feet by the assistance of a laborer, who pulled his antagonist away from him, he drew his knife and made for his opponent but was prevented from reaching him by the same man who had released him. Both parties then picked up brick bats, which they hurled at each other, but without effect. The Seminary man then seized the wooden part of a plumb and struck the Poor's House man several severe blows on the head, but in return was stabbed in the groin, the wound being 3 inches long and an inch and a half deep; then saying "he's stabbed me," he picked up a rake which was lying near, and beat his adversary over the head with it, knocking him down and bending the teeth of the rake against his skull, until bystanders separated them. The Poor's House man started at once for surgical assistance, and the other one went into a store near by and sent for a doctor. The stab of the Seminary man was found to be only a flesh wound, but the injuries of the other are reported to be serious.

DISAPPOINTMENT.—Quite a disappointment was occasioned yesterday by the non arrival at her wharf here of the Lady of the Lake, regularly due at about 12 m. A considerable quantity of flour was rolled on the wharf for shipment, and a large quantity of baggage belonging to our citizens, who had made arrangements to take passage to Piney Point with their families, to spend the balance of the "vacation term." It was subsequently ascertained that the boat had been chartered for a covered excursion to Norfolk, and that ample time was afforded those desiring to take passage to meet the steamer at the Washington wharf. Many availed themselves of the opportunity, but the major part took the cars for Baltimore to embark on one of the Bay line of steamers. (Georgetown correspondent of the Washington Republican.)

Pretty much the same thing occurred here. A party of gentlemen who had made arrangements to take the steamer on their way to Cuba's Island, were compelled to go to Baltimore and take passage on a boat from that city.

DROWNED.—A soldier named Morrison, a private in Company M. 4th U. S. Artillery, was drowned in the Potomac at the mouth of Broad Creek yesterday evening. He left here with a comrade named Kostenbader in a skiff for Fort Washington, where they were stationed, both, it is said, under the influence of liquor, and having with them a four gallon demijohn of liquor. Morrison fell out of the skiff and in attempting to get it again turned it over. Kostenbader clung to it until he was picked up, but his companion never rose again.

A soldier from the same command named Hoede, fell overboard from the steamer Fairy a few days ago, also off the mouth of Broad Creek, and was likewise drowned. His body was washed ashore.

ROBBED IN THE STATION HOUSE.—A colored man named Edmund Courtney, hailing from Stafford County, was arrested yesterday and locked up in the station house for drunkenness. When in the Mayor's office this morning he stated that when he was locked up he had in his pocket a bag containing \$15. As two other colored men had been confined in the same room with him they were instantly searched and in the mouth of one of them, William Cuped, the lost treasure, bag and all, was found. He made an attempt to swallow it, but the wad was too large.

ALEXANDRIA CHRISTIAN ASSOCIATION.—A called meeting of the Alexandria Christian Association was held last night. President being absent, G. R. Hill occupied the chair and H. W. Beadle was appointed secretary pro tem. After the usual religious exercises, reports from various special committees were heard, and several new committees appointed. And after a general conversation among the members, the doxology was sung and the meeting adjourned.

LOCAL BREVITIES.—George G. Dubant, proprietor of the National Restaurant, corner of Sixth street and Pennsylvania avenue, Washington, died yesterday afternoon, of consumption.

The last of the animals caught by the dog squad and penned at the Poor's House, were killed last night. The Auditor has issued five hundred and thirteen dog licenses—by far a larger number than was ever before issued.

A regular semi monthly meeting of the City Council will be held to night. It is expected that the vacancies existing in the police force will be filled at to night's meeting.

Five marriage licenses, four white and one colored, were issued from, and fifteen deeds were recorded in the office of the Clerk of the Corporation Court since last month's Court.

The moonlight excursion of the Alexandria Christian Association will take place to night. See advertisement in another column.

An application will be made to the City Council to-night by the residents of the gate pump neighborhood for the creation of a gas lamp on the corner of Franklin and Washington streets.

BURIAL OF MR. BERNARD HOGE.—The remains of the late Mr. Bernard Hoge, who was killed by the accident on the Chesapeake and Ohio Railroad on Saturday last, were brought to this city this morning and interred in the burying lot of his family.

POLICE REPORT.—An application has been received from Mrs. Elizabeth Madison praying for the return of herself and Mike Morris from the work house.

The police on their rounds discovered a young man who was laboring under what was supposed to be his, caused by taking poison; but it being positively determined that the attacks were not from her service place, was dismissed, as the case was for the consideration of the Court, and could not be disposed of by a magistrate.

Mary Odell, colored, for abusive and profane language, arrested on complaint of Sophronia Ferguson, colored, and discharged.

Raymond Webster colored, and George Childs, two small boys, for trespassing upon the grounds of Col. John H. Brent, were dismissed with an admonition.

The names of other persons arrested for trespassing on the same premises, and they will be looked after by William Culp and Robert Kelley, colored, arrested for fighting at the corner of Union and King streets, were in default of the payment of the imposed fine, committed to the work house for 30 days.

Edmond Bartley, colored, hailing from Stafford County, for disorderly conduct, was dismissed with an admonition.

Edmond Pendergast, for disorderly conduct, and for fighting with Elias Grayson, colored, was fined and discharged.

J. H. Dixon, for disorderly conduct at the corner of Union and King streets, was discharged with an admonition.

Harriet Brooks, on complaint of Mrs. Mary Branders, for abusive language, was fined and discharged.

MOONLIGHT EXCURSION.—Night clear and warm and quiet, though the police report that the like of baby crying was never before heard. The mosquitoes too were rife, and caused much annoyance. The cessation of the dog barking, caused by the late vigorous execution of the dog law, is a source of much pleasure.

LONDON, Aug. 9.—The following official dispatch is dated at Homburg, in the Palatinate, 9.45 a. m. August 8th.

Yesterday after the battle of Worth the enemy retired in great disorder. The French artillery endeavored to make a stand at Niederbrunn. That town was taken by the Bavarians. The enemy, retired on the route to Bischofsweiler. The Prussians captured the enemy's stores and four pieces of artillery at Reichshoffen.

Dead and wounded covered the route of the retreating army. This a. m. we have occupied Haguenau, evacuated by the enemy. The German troops hold both banks of the Saar, having occupied Sarreguemines and Forbach after a slight resistance by the French.

Early on the morning of the 7th instant, just as our troops had left their bivouac to march on Brezbrunn, the thunder of cannon was heard. Our movements were hastened and we soon came up with the First corps, which was engaged with the enemy.

The Bavarian troops were placed in action at once and participated in the assault upon the heights of Guemene, which were carried about five o'clock, the French being repulsed with a heavy loss. The action was severe and sanguinary. The King issued a congratulatory order to the Second corps thanking them for their splendid conduct and gallantry.

SPECIAL NOTICES.

False Pretences.

The vast and continually increasing sales of Hostetter's Stomach Bitters have provoked the envy of a certain class of dealers in various parts of the country, who are trying to substitute their utterly worthless local nostrums for the most popular proprietary medicine in the world. These impostors hope by their false promises to obtain from the millions who patronize the great American Tonic, a sufficient number of customers to make their speculations upon the health of their neighbors profitably.

As the demand for Hostetter's Bitters is now so large and urgent as to tax to their full extent the facilities for its manufacture, these petty attempts to bring in the merest trash by false representations, are of little consequence to its proprietors. They are, however, a serious evil to the victimized. If, for example, at this warm season, when a real invigorant is greatly needed, the sufferer from general debility, indigestion, biliousness or nervous weakness is coaxed into using a wishy washy compound without any medical virtue, instead of the sovereign specific in which the rarest tonic and alterative vegetable elements are scientifically combined, it is obvious that he will rue the day when he allowed himself to be thus deluded. It is in the interest of parties who have been or may be influenced by the persuasions of plausible charlatans, that this article be published. With the light of twenty years experience, we can tell you why should you not take a leap in the dark.

Native Wines.—Some time since we stopped at Passaic, and were really surprised to see the old store house there all filled with wine on storage.

The amount of Mr. Spear's stock of Port Grape Wine on hand is almost fabulous. Four storehouses are filled, and tiers upon tiers of casks up and down stairs, and in some cases huge vats, occupy every available spot, leaving only little alleys ways through which to walk.

The unlimited quantity of wine of none is sold until it has acquired the age of four years and the buildings, 1, 2, 3 and 4, are of the first, second, third and fourth years vintage. Our druggists have some of the oldest of the above wine direct from Mr. Spear. (Patersonian.)

The Indispensable Remedy.—The most reliable and sure cure for malarial diseases is unquestionably the celebrated GALTIER'S NATIVE WINE OF BITTERS, and for the cure of all other fevers there is nothing to compare with these Bitters as a curative and preventive. They are also the best tonic and appetizer in existence, and contain no alcohol, being made of the pure California white wines as they are recommended by all who have used them.

Sold by all druggists and grocers.

CHARLES WHITTELEY, U. S. COMMISSIONER, AND ATTORNEY AND COUNSELLOR IN BANKRUPTCY.

Congress having just amended the Bankrupt law so that nearly all parties can be discharged from their debts unobstructed by the fifty per cent clause so called, another opportunity offers to secure the benefits of this most effective and permanent measure of relief. The above named will make bankrupt business a specialty; will procure discharges on the most moderate terms, and transact all business relating to parties which cannot fail to be satisfactory. Being U. S. Commissioner, he will endeavor to visit the different counties on court days, and thus save parties the trouble and expense of several trips to Alexandria in beginning and proceeding with their cases. Discharge can be obtained here before Register Hills promptly as in Richmond or elsewhere, and at much less expense to parties. It may be added that the Bankrupt act, in connection with the Homestead exemption, which is now believed to be the best security for the debtor under the bankrupt law, is the only real relief now offered to parties struggling in the hopeless bondage of old debts.
